Summary

CareSource is pleased to announce our January Training of the Month, in partnership with CME Outfitters: [Proceedings of the Forum: Addressing Unconscious Bias and Disparities in Health Care: A Call to Action](#).

Impact

This CME Outfitters Newsletter article focuses on historical and present-day sources of health care disparities as discussed in a trail-blazing, two-day, round-table seminar. The discussion included the effects that disparate health and health care have on vulnerable minority populations, and specific strategies to mitigate structural and interpersonal racism to counter these disparities and promote best practices for equitable patient treatment and outcomes.
