
Section 6401(a) of the Affordable Care Act (ACA) established a requirement for all enrolled providers and suppliers to revalidate their enrollment information under new enrollment screening criteria. The Georgia Department of Community Health (DCH) and DXC sent letters to providers requiring they revalidate their enrollment within 60 days of the date on the letter.

Effective _____, DCH will _____ those providers who were previously sent revalidation notices but have failed to submit a revalidation application. As noted in the revalidation letter, DCH allowed providers a period of 60 days to revalidate. Those providers who failed to revalidate their enrollment within the 60-day time frame will be suspended from the Georgia Medicaid/PeachCare for Kids program _____. A suspension letter will be mailed to all impacted providers via certified mail. It is critical that providers ensure that their mail-to-address is correct in the Georgia Medicaid Management Information System (GAMMIS). Providers can review or update their mail-to address information by logging into GAMMIS and clicking on Demographic Maintenance page.

The suspension will apply to providers enrolled in Traditional Fee-for-Service Medicaid and PeachCare for Kids and the Georgia Families and Georgia Families 360° managed care programs. Claims for services to members enrolled in Traditional Fee-for-Service Medicaid and PeachCare for Kids and the Georgia Families and Georgia Families 360° managed care programs for dates of service on or after _____ will not be paid.

A report of those providers who have not submitted a revalidation application can be found on the GAMMIS website at <https://www.mmis.georgia.gov/portal/>. Click on Provider Info
