

Notice Date: November 1, 2022
To: Indiana Marketplace Providers
From: CareSource
Subject: Updated Prior Authorization List
Effective Date: January 1, 2023

Summary

The 2023 Prior Authorization list is now updated on [CareSource.com](https://www.caresource.com). Please review the updated list to find which services require prior authorization and check out the additional important information.

Impact & Importance

As a provider, you must get prior authorization for the listed services in order for your member to receive benefits under their plan. Failure to do so may result in a denial of reimbursement. Providers
