From: CareSource
Subject: Prior Authorization Time Frame Updates

Note: Please see below for changes to the Prior Authorization Timeframes listed in the Indiana Medicaid Provider Manual. See **red text** for updates and ~~strike through~~ for time frames no longer in effect.

Summary

For standard prior authorization decisions, CareSource provides notice to the provider and member as expeditiously as the member’s health condition requires, but no later than five business days following receipt of the request for service.

Urgent prior authorization decisions are made within 48 hours of receipt of request for service. Please specify if you believe the request is urgent.

Authorizations are not a guarantee of payment. Authorizations are based on medical necessity and are contingent on eligibility, benefits, and other factors. Benefits may be subject to limitations and/or qualifications and will be determined when the claim is received for processing. If an authorization is being appealed for medical necessity, a member consent form must also be submitted.
