### Highlights

Annual Deductible*	Individual: \$300 Family: \$600
Coinsurance	10%
Annual Out-of-Pocket Maximum** (includes deductible, coinsurance, and copays)	Individual: \$800 Family: \$1,600

\* See Section 2: Evidence of Coverage for the Definition of Annual Deductible or Deductible. For individual coverage, you are responsible for paying the first \$300 of Covered Services each Benefit Year before CareSource begins to pay for any covered service where the Annual Deductible applies. For family coverage, you are responsible for paying the first \$600 for Covered Services for your entire family each Benefit Year before CareSource begins to pay for any covered service where the Annual Deductible applies. However, for each individual covered member within your family, the maximum amount each member would pay toward the family Deductible is the individual Deductible amount, in this case \$300 up to the family maximum of \$600. The Annual Deductible applies to Covered Services identified as "after deductible" in the Covered Service table below.

\*\* See Section 2: Evidence of Coverage for the Definition of Annual Out-of-Pocket Maximum. For family coverage, each individual covered member within your family is contributing toward the family Annual Out-of-Pocket Maximum. However, for each individual covered member within your family, the maximum amount each member would pay toward the family Annual Out-of-Pocket Maximum is the individual Out-of-Pocket Maximum, which is \$800. Your Evidence of Coverage explains which benefits accrue to your Out-of-Pocket Maximum.

**Prior Authorization:** Some services and items require prior authorization, which is the process used by the Plan to determine if it meets medical necessity and coverage requirements prior to the service being provided. The provider, or the member when using an out-of-network provider, is responsible for obtaining prior authorization for the services and items described on the prior authorization list. Please refer to the prior authorization list attached to your Evidence of Coverage for additional detail or you can obtain the list at [www.caresource.com/mp-KY-pa](http://www.caresource.com/mp-KY-pa).

This Schedule of Benefits is a summary of your financial responsibility when you receive health care services from a physician, pharmacy, facility, or other provider. All Covered Services are subject to the conditions, exclusions, limitations, terms, and rules of the Evidence of Coverage including any rider/enhancements or amendments. Except as otherwise provided in the Evidence of Coverage, Covered Services must be provided to you by a network provider and medically necessary. The Plan does not cover all health care service expenses. In the event of any discrepancy between this Schedule of Benefits and your Evidence of Coverage, the Evidence of Coverage shall control. For more detailed information about your Covered Services, please refer to the Evidence of Coverage at [www.caresource.com/marketplace](http://www.caresource.com/marketplace).

For Covered Services listed in the Evidence of Coverage that are not specifically listed on this Schedule of Benefits, the cost sharing is equal to the coinsurance after the deductible.

**No Surprises Act:** The No Surprises Act requires CareSource & Providers to hold patients harmless from surprise medical bills stemming from out-of-network emergency care, out of network air ambulance, and services provided by out-of-network providers at in-network facilities without the patient's informed consent or for certain ancillary services. Services subject to the No Surprises Act will have the same cost share requirements as Network Services, as listed in the above "You Pay" column, applied to the amount we initially determine to pay (also known as the Recognized Amount). These amounts will count towards your deductible and out of pocket maximum in similar fashion if they had been delivered by Network Providers.

The No Surprises Act is meant to ensure you're kept out of the middle of provider plan billing disputes for those specific services by prohibiting facilities and providers from pursuing payment from you for more than the in-network cost-sharing amount as based on the Recognized Amount in most situations. One situation where you may still be involved is regarding non-emergency services provided by a non-network provider while you are in a network facility. The No Surprises Act prohibits these providers from balance billing you unless the provider gives you notice of their network status and an estimate of charges 72 hours prior to receiving the services, or same day as the appointment if scheduled less than 72 hours in advance. If you receive this notice and then consent to continue to receive the out-of-network care, the provider will be allowed to pursue payment from you for any amounts that we do not cover, otherwise known as balance billing.

See your Evidence of Coverage for further details.
