area, are the lowest cost alternative, and are not provided mainly for the convenience of the member or provider. Medically necessary services are those services, procedures, treatments, supplies, devices, prosthetics, durable medical equipment, and other health care services that are reasonable and necessary for the diagnosis, treatment, or prevention of a disease or condition. Administrative Policy Statements prepared by CareSource and its affiliates do not ensure an authorization or payment of services. Please refer to the plan contract (often referred to as the Evidence of Coverage) for the service(s) referenced in the Administrative Policy Statement. If there is a conflict between the Administrative Policy Statement and the plan contract (i.e., Evidence of Coverage), then the plan contract (i.e., Evidence of Coverage) will be the controlling document used to make the determination.

According to the rules of Mental Health Parity Addiction Equity Act (MHPAEA), coverage for the diagnosis and treatment of a behavioral health disorder will not be subject to any limitations that are less favorable than the limitations that apply to medical

conditions as covered under this policy.
