
CareSource occasionally receives questions regarding how we reimburse transplant services. The follow summary provides information about current reimbursement process for transplant claims. Note that these processes are not changes to current practice.

Ohio Medicaid Transplants

CareSource follows all processing requirements as stated in the [Ohio Administrative Code \(OAC\)](#) and [UB04 Billing Manual](#).

Below are a few highlights for Ohio Medicaid claims. Additional detail may be found in the OAC rules or the [UB04](#):
