To: Ohio Providers
From: CareSource
Subject: COVID-19: Plan Collaboration for Long -Term Care

Summary

As the COVID-19 pandemic continues to evolve, the Ohio Medicaid managed care and MyCare Ohio plans recognize and value the work the provider community is doing daily to care for vulnerable Ohioans. The health plans want to partner closely with you as you care for our members. In an effort to support ongoing collaboration, as well as provide simplicity in how you contact each health plan regarding members in long-term

each out to us with questions or needs.

ct

member of the health plan will be in regular contact to obtain information regarding member care needs.

goal of this outreach is to obtain updates about members and to provide support and assistance

the health plan for:

Coordinating needed resources

Linkage to community services
